KILLED BY THE DOCTORS.

Clerk Wall Died Under Either Im-

properly Administered.

Coroner Rooney is today investigating

the circumstances attending the death of

James F. Wall, a clerk in the Essex County

Surrogate's office, who died in the City Hos-

pital in Brooklyn while under the influence

of other administered by the surgeons who

were about to amputate one of his toes.

Dr. B. B. Moberg, A. H. Reagan and S.

First Spurr, who had charge of the case,

claim to have made a careful examination

of the patient's heart before administering

the anesthetic.

After the other had been administered

the patient was seized with spasms and

ceased breathing and a few seconds later

the heart stopped.

The physician applied several remedies,

but the man did not revive.
